

1977 DRAGON

A photograph of a winter scene. In the foreground, a snow-covered path or road curves from the bottom left towards the center. To the right of the path, there is a body of water, possibly a pond or a stream, which reflects the warm, golden light of the setting or rising sun. The background is filled with the dark, silhouetted branches of bare trees against a hazy, orange-tinted sky. The overall mood is quiet and nostalgic.

Carlino subtitled this work "a collage for voices." The 14 actors portray 46 different characters through which we receive brief glimpses of a boy's struggle to find his identity in the violence of the city slums. The play was written in 1957 specifically for presentation in a reader's theatre format. The actors are a catalyst for the action which takes place in the mind of the audience. While at times the slang may seem dated, the human emotions are timeless. Perhaps the world of the Fifties is not far recent resurgence of gang warfare in our major cities, including Omaha.

The highlight this year for the Art Club was a trip to St. Louis, Missouri. Fifteen art club members went for three days in March. The places visited were the Craft Alliance Gallery, Botanical Gardens, an art museum, St. Louis Zoo, and the St. Louis Arc. They had dinner and saw a play on the Goldenrod Showboat.

The Art Club members were also fortunate in having artist Carlos Frey work with them for two weeks, demonstrating pottery, sculpturing, painting, and pastel.

The Art Club added another mural to the high school gym. This year it was the wrestling team which joined the football and basketball pictures on the north wall of the gym.

Drama Club is an organization for those students who would like to further their interest in the acting and technical elements of theatre. Members may earn pins by acting in the musical or spring play, doing crew work, or participating in speech and one act play contests.

This year Gretna placed 2nd at the Capital Conference Speech Contest and 5th at the Class A-District II Contest held at Dana College. Lil Walsh also qualified for the State Tournament at Kearney.

Drama Club Members held key responsibilities in the fall production of "Annie Get Your Gun" and the spring play, "The Brick and the Rose."

The FHA & HERO groups have always been involved in charitable projects and this year was no exception. They participated in the March of Dimes Big Wheel Rally; donated crafts for the Children's Hospital Bazaar Project; Thanksgiving food baskets for the elderly; repaired toys for County Welfare Store. At Christmas time they gave a party for the children of the J. P. Lord School for the handicapped. In February, the FHA-HERO prepared and served a breakfast in observance of Vocational Education Week.

If residents of Gretna found someone knocking on their door in the early fall, chances are that it was an FBLA member offering things for sale. The club earned money by selling small items and candles as well as having bake sales, candy sales and raffles.

As did the other vocational clubs, FBLA took part in the activities of February's Vocation Week. Numerous members attended the vocational breakfast and greeted the three state FBLA officers and the State Advisor who were also present at the vocational breakfast held to honor local businessmen. For Career Day, FBLA members arranged for guest speakers to come in and talk to the students in a wide variety of areas. Business Administration, agricultural banking, law enforcement, real estate, insurance, banking, and secretarial careers, were among those discussed on Career Day.

Highlights of the FBLA included the State Convention held at Omaha. While only 10 of the club members were able to attend, reports of their experiences were brought back to the rest of the club members. To meet and mingle with some 1200 students from schools of every size and shape throughout Nebraska is an experience long to be remembered. Three members received Honorable Mention in the competition at State Convention: Beth Ferguson in Accounting; Bob Rueth in Extemporaneous Speaking; and Linda Biel in Clerk Typing.

The Council at its weekly meeting.

Student Council survived another year of activities! The Student Council judged floats and awarded trophies and prizes to the best floats as well as arranging the homecoming parade and half-time activities at the football game. Members also "swapped" schools for a day with student council members from Roncolli High School in Omaha and Platteview High School in an attempt to see how other schools in the vicinity operate. When the state basketball tournament rolled around, Student Council members had Gretna Dragon coats for sale so that students and fans could support our team in style. The FLAIR jazz band from Offutt Air Force Base performed at an assembly program thanks to the efforts of the Student Council. In addition, on film, "Lords of the Flatbush" was shown to the junior-senior high students as a Student Council activity.

VICA is in its second year as an active club in the high school. As part of their fund raising, VICA sponsored the raffling of a Thanksgiving turkey. December and the holiday season found the students involved with repairing donated toys which were distributed to various children in the Gretna area who might otherwise have not had as an enjoyable Christmas. Sponsoring the concession stand at some of the various basketball games during January helped replenish the club's treasury. In conjunction with the other vocational clubs, VICA members attended the breakfast held during midweek of the National Vocational Week, and participated in the Career Day that followed. Some 30 different areas were represented and gave students an opportunity to get first-hand information about the education, background, and experience necessary to become successful in the careers represented. Major areas of careers included electronics, electricians, and auto mechanics.

Medalists from the spring State Convention held in Lincoln included the following: Amy Gunderson in the Job Interview Competition; Nick Carter in the Electrical Wiring Competition; and Dave Fibich in Plumbing Competition. Dave won the right to compete in the National Convention and attended it in the summer. Congratulations to Dave!

The Annual Staff owes a big thanks to Saeger Studio in Elkhorn and also to the Gretna Breeze for the pictures taken for use in the annual. Without the donation of their time and photographs, the '77 annual would have cost considerably more.

Having lost three students to mid-term graduation, the annual staff worked with a skeleton crew in finishing the annual. Although those pictured on this page were assigned specific sections, Dave Smetter and Pam Norman can be credited with several pages outside their section. Due to their large contribution, they have been named as co-editors. Our special thanks to Mrs. Lawson for her help.

The 1976 Dragon Football Team had a very successful season. Injuries late in the year kept the team from earning an undefeated season. The team worked together and pulled out a 7-2 record. At one time during the season the Omaha World Herald honored the Dragons by rating them 4th in Class B.

In 1976 a member of the Gretna High Football team was named to the All-State team. Chris Cox was named by both the Omaha World Herald and the Lincoln Journal and Star as an outstanding middle-guard in Class B competition. Cox was also selected to play in the anual Shrine Bowl Game.

The Gretna team had 7 All-Conference team members. Listed below: BOTTOM ROW, Left to Right: Tom Westenburg, Terry Springer, Chris Cox, Dan Woolman. TOP ROW: Steve Bartunek, J. Bunderson, Tim Lawry.

Golf was on the "upswing" at Gretna in the Spring of 1977. The sport drew 22 participants, most of which were underclassmen. Returning letterman included Bob Rueth, Terry Francis, and Wayne Jesz. Coach Tim Hoffman may look forward to better team performance in the future years as more students are now trying out for the team while in their freshman and sophomore years which gives them added experience for their junior and senior years.

Bob Rueth and Terry Francis both had an outstanding year on the greens. In 1976 Terry Francis won a 10th place medal at the Ashland Invitational being the first golfer from Gretna to win a medal. In 1977 Bob Rueth won 3 medals at Blair, Ashland, and Elkhorn Tournaments. Terry likewise brought home hardware from Blair, Elkhorn, and Pioneer Golf Course in Lincoln which was Districts, and Conference at Plattview. The highlights of the year for Terry was at the districts as he tied for 1st place and advanced to the state tournament by shooting a 76. The state tournament was held at Holmes Golf Course in Lincoln, and Terry finished in the middle of the field.

State long jump qualifier Jan Schmid.

Coach Ann Hathaway and Jan Schmid again made the long journey to the Girls' State Track Meet in North Platte. This is the second year in a row Jan has qualified for the State Meet in the long jump. Jan's jump of 16' 11  $\frac{3}{4}$ " was enough to win Jan first place in the District Meet. Jan jumped 16' 8" at the State Meet, but failed to place.

As competition becomes keener year after year, you can expect to find new records in individual schools, district meets, and state meets, making it more and more difficult to earn medals. Jan Schmid broke Gretna's school record in the 80 yd. hurdles with a time of 11.4 seconds. The mile relay record this year was also broken with a time of 4' 26.1". Members of the relay team included Joni Wollenburg, Janette Kopplin, Kathy Perchal, and Jan Schmid.

The track team this year lost no members as a result of graduation as the team composed of only underclassmen. Future track teams should be strong as a result of the year of experience gained in 1977.
